Private Passenger Residual Market Rates Placed on File by Division of Insurance

On October 27, 2017, the Division of Insurance placed CAR's Private Passenger Residual Market rates and rating manual on file for policies effective February 1, 2018. The base rates were amended and result in an overall rate increase of 4.6%. Pursuant to G.L. c. 175, §113H, these rates will be charged to consumers only in circumstances where these rates do not "exceed the premium charges, which would be used by each risk's Servicing Carrier for that risk if such risk were written on a voluntary basis."

Approved Rate Pages, Rating factor tables, and implementation notes are now available on the MAIP Company and Producer pages of CAR's website, under Manuals (a valid user-id and password is required for access). For a detailed list of all relevant changes, please refer to the Memorandum of Changes.

The approved filing is available to Member Companies upon request. Requests should be directed to Shannon Chiu at [schiu@commauto.com](mailto:schiu@commauto.com).
