BULLETIN NO. 1045

DECISION

PROPOSED CHANGES TO THE RULES OF OPERATION

Rule 21 – General Provisions

Proposed changes to the Rules of Operation amending Rule 21 were filed with the Commissioner of Insurance on November 16, 2017. The proposed changes were furnished to all members and interested parties as Bulletin No. 1041, dated November 17, 2017.

Under the provisions of Article X of the Plan of Operation, a proposed Rule of Operation becomes effective either upon approval by the Commissioner of Insurance, or upon expiration of 30 days from the time of submission, provided that no public hearing was requested within 5 days by an interested party and the Commissioner has not otherwise disapproved the Rule change within the 30-day period.

Insomuch as no public hearing was requested by any interested party within 5 days of Rule 21 being submitted and the proposed Rule has not been disapproved by the Commissioner of Insurance within 30 days of submission, Rule 21 as amended is deemed approved effective December 19, 2017, as provided in Article X of the Plan of Operation.

Please bring these changes to the attention of all interested parties. The Rules of Operation, including the approved changes to Rule 21, are available on CAR's website.
