**BULLETIN NO. 1060**

**UPDATES TO THE MANUAL OF ADMINISTRATIVE PROCEDURES**

**Chapter V – Premium**

In conjunction with the recent approval of modifications to Rule 6 – Coverages of CAR’s Rules of Operation, Chapter V – Premium of the Manual of Administrative Procedures has been updated to reflect that residual market coverage for policies written on the Business Auto Coverage Form will be restricted to only those vehicles that are specifically described on the policy declarations. Additionally, this chapter has been updated to indicate that Servicing Carriers will no longer be able to employ composite rated, gross receipts, or mileage based rating options for ceded policies written on the Business Auto Policy.

Chapter V and the full Manual of Administrative Procedures, as updated, are available on the Manuals page of CAR’s website under the Administrative Procedures link.

If you have any questions regarding these updates, please contact the undersigned.
