BULLETIN NO. 1118

Private Passenger Residual Market Registration and Title Application Clarification Approved
(SERFF filing CARI- 132725124)

On March 2, 2021, the Division of Insurance placed on file Rule 4 – Standard Procedures of the Private Passenger Residual Market Automobile Manual, revised with an effective date upon approval. Specifically, the reference to the Registry of Motor Vehicles RMV-1 and RMV-3 forms has been updated to reference the Registration and Title Application (RTA).

The Private Passenger Residual Market Automobile Manual has been updated to include this revision and is available on the MAIP Company and Producer pages of CAR’s website, under the Manuals link. A valid user-id and password is required for access.
