Principal Place of Business Certification Form

On June 26, 2018, CAR filed the Principal Place of Business Certification Form (CR 00 01 08 18) with the Division of Insurance. The Certification Form will be used in conjunction with standard procedures to be employed by Servicing Carriers and Exclusive Representative Producers (ERPs) to validate an applicant's principal place of business and will provide further verification of a risk's eligibility for placement in the commercial residual market pursuant to Rule 2 of CAR's Rule of Operation.

The filing (SERFF filing CARI-131558595) includes a proposed effective date of August 1, 2018 for use of the form for new business residual market policies. Servicing Carriers will seek signed Certification Forms for renewal business at their discretion. Note that the filing is under review by the Division of Insurance and has not yet been approved.

The proposed Principal Place of Business Certification Form is available to Member Companies upon request. Requests should be directed to Shannon Chiu at schiu@commauto.com.
