COMMERCIAL LINES NOTICE NO. 140

Commercial Manual Rule 37 – Additional Insured – Massachusetts Endorsement Amendment Approved
(SERFF filing CARI-132277294)

On December 10, 2020, the Division of Insurance placed on file an amendment to Rule 37 – Additional Insured – Massachusetts Endorsement in Section II – Common Coverages and Rating Procedures of the Commercial Automobile Insurance Manual. As this is a clarification to the Rule, the effective date of the amendment will remain as July 1, 2020.

The Rule was clarified to indicate that the Servicing Carrier will attach Additional Insured endorsement form CR 99 02 to the policy, to identify as an insured the person or organization named in the endorsement for whom the risk is performing operations. A written contract or agreement that states that the person or organization be added as an additional insured on the policy must exist between the risk and such person or organization. For coverage to be afforded, the loss must occur after the signing and execution of the contract or agreement, while the contract or agreement is in effect, while operations are ongoing, and prior to the end of the policy period.

The Commercial Automobile Insurance Manual, including the approved Rule, is available on the Manuals page of CAR's website.
