BULLETIN NO. 1141

Updates to the Assigned Risk Producer Procedures Manual

Chapter III– Eligibility Requirements

Chapter IV – Application and Policy Assignment Process

At its meeting of September 21, 2022, the Governing Committee approved the following modifications to Chapter III – Eligibility Requirements and Chapter IV – Application and Policy Assignment Process of the Assigned Risk Producer Procedures Manual:

Chapter III – Eligibility Requirements

- Section A – language addressing applicants with foreign licenses has been amended to conform with the Massachusetts Registry of Motor Vehicle licensing documentation.

Chapter IV – Application and Policy Assignment Process

- Section A.2b – language has been added to reflect enhancements to the MAIP Policy Application regarding RMV prefill information involving an applicant’s licensing and vehicle details.

The Assigned Risk Producer Procedures Manual has been updated and is available on the Manuals page of the Company section of CAR’s MAIP website under the Assigned Risk Producer Procedures Manual link.

JOHN METCALFE
Director – Residual Market Services
