Private Passenger Residual Market Modifications to Manual Rules Approved  
(SERFF filing CARI-133562731)

On February 22, 2023, the Division of Insurance placed on file modifications to the Private Passenger Residual Market Automobile Insurance Manual with an effective date of May 1, 2023.

Amendments to Rule 27 - Private Passenger Definition include:

- Section B – the definition of the vehicle type has been expanded to include SUV.
- Section B.1 –the gross vehicle weight has been updated from 10,000 pounds to 16,000 pounds to maintain consistency with Registry procedures.

Additionally, Rule 55 - Pre-Insurance Inspection Program is amended to correctly reference Massachusetts General Laws Chapter 175.

The Manual Rules are available on the Manuals page of CAR's MAIP website.
