BULLETIN NO. 1158

Private Passenger Residual Market Rates Placed on File by the Division of Insurance
CARI-133799362

On January 25, 2024, the Division of Insurance placed CAR's private passenger residual market rates and rating manual on file for policies effective May 1, 2024 and subsequent. Pursuant to G.L. c. 175, §113H, these rates will be charged to consumers only in circumstances where these rates do not "exceed the premium charges, which would be used by each risk's Servicing Carrier for that risk if such risk were written on a voluntary basis."

Updated rate pages, rating factor tables, and implementation notes are now available on the MAIP Company and Producer pages of CAR's website, under Manuals. A valid user-id and password are required for access.

The approved filing is available to Member Companies upon request. Requests should be directed to ActStatDept@commauto.com.
