- the analysis of the 03/06 to 11/20 version of the Business Auto Policy (BAP)
- the analysis of the 03/06 Truckers coverage form to the 11/10 BAP/Motor Carrier (MC) Endorsement

- questions raised by staff in regard to the schedule of endorsement forms and required upgrades corresponding to the policy form upgrades
- consideration of the benefits and drawbacks of a single-step implementation plan to adopt all new policy forms and endorsements versus a two-step implementation involving the adoption of the newer version of the BAP and MC Endorsement, followed by a subsequent adoption of the Auto Dealers Policy.
